**Validation is highly recommended** for each load to be utilised in order to:

- ensure that the required temperatures and times throughout the load are achieved  
**and**
  - determine cycle settings.

As Don Whitley Scientific is **UKAS accredited**, we can offer you validation and calibration of your heat sterilisation equipment.

If you would like to discuss this, please call us on 01274 595728.

Delivery and installation is free of charge (unless otherwise agreed). If our engineers are unable to install the unit and a return journey is necessary,  
**a charge may be made.**

**It is essential that this form is completed and returned to avoid delay to your installation.**

**THANK YOU FOR THINKING WHITLEY**
